## HOW TO FIND US

Bristol has good road, air and rail links though rush hour traffic is difficult, and parking in the University and Hospitals environs is almost impossible. There is local parking at the hotels and it is worth reserving a place when you book your stay.

Trains arrive at Bristol Parkway (east-west services) or Bristol Temple Meads (north-south services). Each will take up 10-20 minutes by taxi to get to your hotel.

## **By road from M4**

Exit at Junction 19 on the M4 for the M32 motorway into Bristol.

Take the M32 into the city centre and then follow the signs for Clifton.

At the top of Park Street (the University Wills Building), filter into the left lane and turn left into Berkeley Square a few yards after the Wills Building opposite Browns restaurant (both pictured below)

## **By road from M5 motorway (travelling from Midlands and North)**

Exit at junction 17 for Bristol West.

Follow the A4018 towards Bristol West, Clifton and Zoo for 4.2 miles.

Drive along side The Bristol Downs.

At the far side of the Downs, cross a mini-roundabout and drive down Blackboys Hill on to Whiteladies Road.

Drive along Whiteladies Road for 1-1.5 miles pass BBC and Allied Irish Bank until you arrive at Habitat on your left and the University Victoria Rooms on your right.

Filter into the right lane and on the sharp bend with a pedestrian crossing, the entrance to Berkeley Square is directly opposite you. The square is one-way, clockwise traffic with The Berkeley Square Hotel visible from all aspects.

## **By road from M5 motorway (travelling from Devon & Cornwall)**

Leave M5 at Junction 18.

Take A4 Portway towards central Bristol for 4-5 miles.

Drive under Clifton Suspension Bridge. Stay in the left lane.

The road bends to the left and then to the right as you aim for the centre (Hotwells Road) you should see SS Great Britain on your right.

At the roundabout opposite SS Great Britain, turn left up the hill on Jacob wells Road. Pass Solsoft on your left and QEH school on your right.

At the junction at the top of the hill, filter right.

Drive two sides of the Triangle before exiting into Berkeley Square.

## **By train**

East-West inter-city services (Great Western Services) arrive at Bristol Parkway. North-South trains arrive at Bristol Temple Meads. Both stations are approximately 15 - 20 minutes (depending on the traffic)

## **By air**

Arriving at London Heathrow, the best choice of connection is one of the frequent coaches from the Central Bus Station at Terminal 2 which brings you to the central Bristol Coach Station (2 hours). It is a ten minute taxi drive to the hotels. Otherwise London Paddington and Reading have regular train services with [Great Western Trains](http://www.firstgreatwestern.co.uk/). <http://www.firstgreatwestern.co.uk/>

Arriving at London Gatwick the best choice of connection is one of the frequent coaches which brings you to the central Bristol Coach Station (3 hours). It is a ten minute taxi drive to the hotels.

[Bristol International Airport](http://www.bristolairport.co.uk/) <http://www.bristolairport.co.uk/> has a direct daily flight from New York with Continental Airlines and is connected with many European hubs. Many UK cities including Dublin, Glasgow, Newcastle, Leeds, Plymouth and Manchester connect with Bristol via [Air South West](http://www.airsouthwest.com/) <http://www.airsouthwest.com/>

**The Berkeley Square Hotel**

**The Clifton Hotel**

**THE ANATOMY DEPARTMENT**  
(200 yards along the same street as St Michaels' Maternity Hospital)

## Day 1

0900	<b>Coffee</b>		
0930	Introduction, Objectives, Housekeeping, etc		
1000	<b>S1 Rotating Anatomy Stations (3 x 30 minutes)</b>		DR
	(1) Arteries-Veins-Lymphatics.	Alice	
	(2) Endopelvic fasciae.		
	(3) Pelvis: boundaries and contents		
1130	<b>Coffee</b>		
1200	“Myofascial Support: Vaginal. Levator, Uterosacral Defects “	MJQ	Conference Room
1300	<b>Lunch</b>		
1400	<b>S2 Participants Cases</b>		Conference Room
	(1) Case No.1 Pelvic pain		
	(2) Case No.2 Vulval pain		
	(3) Case No.3 Endometriosis		
	(4) Case No.4 Medicolegal case		
1500	<b>Gynecare Guest Lecture</b>		Conference Room
	Professor AN Other		
1600	<b>Tea</b>		
1630	<b>S3 The Innervation of the Pelvis (to 1730)</b>		DR
	(1) Anatomical Aspects	Alice	
	(2) Denervation-reinnervation	MJQ	
1800	Cocktails		Berkeley Square Hotel
1900	<b>Dinner</b>		
	The Berkeley Square Hotel Restaurant		The Square

## Day 2

0900 **S4 Rotating Anatomy Stations** DR

Perineum & pudendal nerve. Alice  
The lower urinary tract  
The posterior compartment

1100 **Coffee**

1130 **S5 Pelvic Surgery Seminar** DR

Hysterectomy. Anatomical consequences.  
Caesarean section The anatomical control of PPH.  
Laparoscopic anatomy Uterosacral& levator defects

1300 **Lunch**

1400 **S6 Reconstructive Surgery Seminar** DR

TVT, TOT, IVS, and new mesh techniques to replace  
pubocervical and rectovaginal fasciae.

Improved techniques for sacrocolpexy. Control of  
persistent haemorrhage from sacral foramina.

1500 Anatomy Review and Evaluation. Alice DR

1600 **Course finish** MJQ

**S1 Rotating Anatomy Stations (3 x 30 minutes)**

# CERTIFICATE OF ATTENDANCE

This is to certify that:

\_\_\_\_\_ (name of course participant)

attended the Bristol Anatomy Course

on

\_\_\_\_\_ (date of course)

\_\_\_\_\_  
MJ Quinn, MD, MRCOG

Course Organiser

The Bristol Anatomy Course  
PO Box 321, Bristol BS10 6WT

[anatomycourse@btinternet.com](mailto:anatomycourse@btinternet.com)

This course carries a minimum of 10 hours of teaching. Course preparation is not included.

# Participant Agreement in the Bristol Anatomy Course (BAC)

## 1 Introduction

This Agreement sets out the relationship between the Bristol Anatomy Course (BAC) and its participants. It is intended to enable and facilitate the relationship.

## 2 Agreement

The Agreement between you and the Bristol Anatomy Course commences when you accept the offer of a place on the course.

## 3 The Bristol Anatomy Course Obligations

The BAC will provide you with the tuition indicated in the course that you have applied for, subject to these conditions, with reasonable care and skill. The BAC will make all reasonable efforts to deliver your programme as described in the course prospectus for the appropriate course dates. However, the BAC shall be entitled:

- to alter the timetable, location, and method of delivery of your course, provided such alterations are reasonable;
- to make reasonable variations to the content and syllabus of your course;
- to postpone, or cancel, your course (for example, because a key member of staff is unwell);
- not to provide your particular course if the BAC reasonably considers this to be necessary, (for example, because too few participants apply to join the programme for it to be viable, or, too few faculty are available to teach the course e.g. through illness, concurrent over-riding commitments).

In the unlikely event that the BAC postpones your course:

- the BAC will tell you at the earliest possible opportunity;
- the BAC will make an appropriate refund of tuition fees you have paid (see para 5)

## 4 Your obligations

You must comply with your obligations under these conditions and, in accordance with any reasonable requests. You are required to:

- conduct yourself in a proper manner ;
- comply with professional standards;
- understand and comply with the provisions of The Human Tissues Act 2004
- health and safety regulations;
- computing regulations
- data protection information and data protection guidelines;
- provisions relating to confidential information;

## 5 Fees and Payment

It is your responsibility to make sure your course fees are paid. The course fees will be as stated on the website and as reviewed and revised for each course. These fees and expenses do not include any fees payable for residential accommodation provided to you by any third party, nor do they include travelling expenses or other course costs.

Should you cancel your attendance you will be entitled to a refund of your course fees under the following terms:

- more than 4 weeks notice                      100% refund of course fee
- less than 4 weeks notice                      50% refund of course fee

In some circumstances the BAC may retain the course fee and offer you a place on a subsequent course.

## 6 The Bristol Anatomy Course Liabilities

The BAC cannot accept responsibility, and expressly excludes liability, for any loss or damage to your property, including damage to any motor vehicle or cycle, while on University premises, unless caused by the negligence of the University or its employees;

## 7 Termination of Agreement

The BAC may end this Agreement by written notice to you if you do not pay your course fees.

## 8 Notices

Any notice made under this Agreement shall be in writing. Good service may be given by email, to the last email address you gave to the BAC.

## 9 General

If any provision of these terms and conditions is or becomes illegal, invalid, void or unenforceable, that shall not affect the legality, validity or enforceability of the other provisions.

Neither you nor the BAC shall be liable to each other for any failure or delay in performing obligations, if the failure or delay is due to any cause beyond that party's reasonable control, for example fire, flood or industrial dispute.

## 10 Law and Jurisdiction

This Agreement shall be governed by and construed in all respects in accordance with the laws of England and Wales and the parties agree to submit to the jurisdiction of the courts of England and Wales.
